Quality Policy

At the Lafarge Brookfield Plant, the customer is every employee's concern.

We will, as a company and as individuals, assure quality in the way we do business and in the products that we supply.

Our commitment is to:

- Provide cements that consistently comply with customer and regulatory requirements including ASTM, CSA, API and AASHTO standards.
- Strive to continually improve the effectiveness of our quality management system.
- Maintain communication with suppliers and employees to assure that expectations are understood.
- Anticipate and fulfill customers' needs to be the "supplier of choice" in the marketplace.
- Ensure on target products at all stages of manufacturing through the implementation of the Quality Management System.
- Focus on achieving both short and long term objectives.
- Operate in a safe, environmentally conscious and economically sound manner.
- Maintain and continuously improve the key Purchasing elements in the Quality Management System.

Note:

-The Lafarge North America, Brookfield Plant Quality Policy is reviewed annually as per section 4.1.2 of the Quality Manual and is recorded under "Review" of this document.
